

Oregon Head Start Prekindergarten Programs

2009 – 2010 Directory

Oregon Department of Education
Office of Student Learning & Partnerships

255 Capitol St. NE
Salem, Oregon 97310-0203

It is the policy of the State Board of Education and a priority of the Oregon Department of Education that there will be no discrimination or harassment on the grounds of race, color, sex, marital status, religion, national origin, age or disability in any educational programs, activities, or employment. Persons having questions about equal opportunity and nondiscrimination should contact the State Superintendent of Public Instruction at the Oregon Department of Education, 255 Capitol Street NE, Salem, Oregon 97310-0203. Phone 503-947-5740, FAX 503-378-4772.

Every Student, Every Day, A Success!

Susan Castillo
State Superintendent of Public Instruction

The Office of Student Learning & Partnerships, Early Childhood Programs, Oregon Head Start Prekindergarten program, produces this directory annually. Revisions to the directory are solicited in August of each year, which allows time to print and distribute by early fall.

The directory can be accessed on our web site at <http://www.ode.state.or.us/search/results/?id=41>

INTRODUCTION

Oregon Head Start PreKindergarten

OHS PreK is a comprehensive, high quality early childhood development program serving children ages three to five from families living at or below the federal poverty level. The program offers integrated services to support school readiness. Integrated services include:

- Education and early childhood development
- Child health and nutrition
- Parent education and family support

There are 31 OHS PreK programs serving children in all 36 counties in Oregon. These programs receive funding from the Federal Office of Head Start, the Oregon Department of Education, or both. A state and federal partnership agreement allows grantees to blend funding to provide a seamless, integrated program that is tailored to meet the needs of children and families in their community.

In addition to OHS PreK, specialized Head Start programs in Oregon include:

- Early Head Start, a comprehensive program for pregnant women, infants and toddlers.
- Migrant Head Start, funded by the Migrant and Seasonal Programs Branch of the Head Start Bureau, serves children ages 0-5 of migrant farm workers.
- Seasonal Head Start funded by the Migrant and Seasonal Programs Branch of the Head Start Bureau and serves children ages 3-5 of seasonal farm workers.
- Tribal Head Start, funded by the American Indian-Alaska Native Program Branch of the Head Start Bureau, serves 3-5 year old Native American children on reservations and in urban areas.

Early Intervention/Early Childhood Special Education

Early Intervention (“EI” - services for children birth through age 2) and Early Childhood Special Education (ECSE – for children age 3 to kindergarten) are federally and state funded programs that provide specialized services to children with disabilities and their families. EI services are provided in natural settings, such as the family’s home, and typically include therapies for the child, as well as training and support for the parents on how to work with their child. ECSE services are educational in nature and are provided in the least restrictive environment, examples of which include Head Start classrooms, child care programs and ECSE classrooms, depending on the needs of the individual child. EI and ECSE services are always free to families.

Each child enrolled in EI or ECSE services has an Individual Family Services Plan (IFSP) which addresses the child’s individual needs and is developed by a team that includes parents and professionals. Local area contractors provide the EI and ECSE services described in the IFSP either directly or by subcontracting with other local programs.

Referrals can be made by contacting the local EI/ECSE program in your county.

Title I Part C Migrant Education

Title I Part C Migrant Education funding comes from the U.S. Department of Education (USED) and is administered by the Oregon Department of Education (ODE), Office of Educational Improvement and Innovation, Migrant Education Service Center. Oregon Migrant Education pre-school programs serve eligible children ages 3-5. Each program has an emphasis on family literacy, native language instruction and parent involvement.

Contact: jonathan.fernow@state.or.us or 503-947-5807

Title I Part B, Subpart 3, Even Start Family Literacy Program

Title I Part B Even Start funding comes from the U.S. Department of Education and is administered by the Oregon Department of Education. The purpose of the William F. Goodling Even Start Program, which is part of the No Child Left Behind (NCLB) Act of 2001, is to help break the cycle of poverty and illiteracy by improving educational opportunities for the nation's low-income families. Even Start Family Literacy Programs serve families with one or more children ages 0-7 and one or more adults with a low level of literacy. Even Start is based on the philosophy that the educational attainment of children and their parents is interrelated, and that improving the literacy skills of parents promotes academic achievement in their children. Even Start achieves this through the integration of early childhood education, adult literacy (adult basic education or English as a second language), and parent education.

Statewide—The Oregon Head Start Association (OHSA) is a 501 (c) (3) non profit association which provides leadership, advocacy and training for Oregon Head Start Pre Kindergarten Programs. The Association serves parents, staff, directors and volunteers through training activities, scholarships, conferences, a newsletter, web page and assistance with resource development. We are governed by an 12 member Executive Board and are members of the National Head Start Association (NHSA).
